

*Interested in  
Contributing  
to a Research Study?*

**PARTICIPATE IN THIS SURVEY!**

This research study is geared towards surveying and evaluating whale-watchers' knowledge of marine mammals and marine conservation in an effort to determine the benefits of whale-watching towards conservation education and how companies can best maximize their educational benefits.

**This survey is quick and easy and you can do it while cruising looking for whales. The study is safe and data is collected anonymously. You may choose to opt-out at any time with no repercussions.**
