SAUDAÇÕES ÀS BALEIAS - Karen Rosa

'Saudações das Baleias' is a song by Brazilian singer-songwriter Karen Rosa, which celebrates the arrival of right whales to the coast of Brazil to breed and give birth, an event that occurs every year and is an important part of the culture of Santa Catarina.

The song is inspired by the moments when right whales approach the coast to give birth to their calves, a spectacle that turns winter into a celebration for the people.

The song can be found on digital music platforms such as Apple Music, Spotify, SoundCloud, and on YouTube video.

Cultural context:

The song is also linked to the culture of Santa Catarina, a region where the presence of right whales is particularly celebrated.
